Whitehall Camp and Conference Center
September 15th, 16th, and 17th

Joy in All Circumstances

With, Pastor Travis Zimmerman

A Faithful Dad Ministries' Co-Founder, Travis Zimmerman loves Jesus Christ with all his heart. Over the past 26 years, God has been using his electric, dynamic, and heart-felt speaking style to passionately reach the hearts of men. Travis has committed the past 14 years to memorizing God's Word, relating Scripture to unique analogies and life events which many have enjoyed hearing him recite. His theme for every message centers on relationships, beginning with Jesus, and his short video devotions on *The Daily Pulse* have logged over 750,000 views.

The Conference will begin Friday evening September 15th around 6pm. Food will be provided for all as we get checked in. There is an evening session followed by fellowship around the campfire. Saturday will consist of three sessions with free-time in the afternoon, and an evening fire. We will come to a close Sunday September 17th, after our morning session.

Free-time Saturday afternoon will be unstructured and open for canoeing the Allegheny River, fishing in the lake for fall bass, biking the Allegheny bike trail, relaxing in the autumn setting of Whitehall Camp, or participating in a group activity opportunity (to be announced). Young men 14 and older are welcome when accompanied by an adult.
