CAMP AND CONFERENCE CENTER

"Come with me to a quiet place and get some rest" ~ Mark 6:31

March 7, 2018

Dear Leaseholders and Whitehall Guests,

Due to the increasing number of non-street legal motorized vehicles (NSLMV) on the campground, and the many complaints that have been received from campers, Whitehall Camp & Conference Center Board (WCCCB) has implemented the following protocol:

Starting May 1, 2018, all NSLMVs operating on Whitehall property will need to be registered with Whitehall Camp & Conference Center. Each NSLMV shall be registered to a Whitehall leaseholder, and a Whitehall lot number.

In the event an NSLMV is not owned by a Whitehall leaseholder, said NSLMV must still be registered to a Whitehall leaseholder and a lot number and said NSLMV then becomes the responsibility of the leaseholder to whom it is registered. In the event a NSLMV is rented from an outside vendor for an event on the campground, such as Camp Meeting, said NSLMV must be registered with the camp office before it is operated on the campgrounds.

License plates for registered NSLMV will be issued and must be placed on the front and back of the registered NSLMV. A registration fee of \$15.00 per NSLMV is required. This fee includes two transferable plates to be issued, and is a one-time fee, unless replacement plates are required.

Registration plates for NSLMVs which were rented for special events may be returned for a full refund at the end of the rental period, or the plates may be retained for future use by the registrant.

The Whitehall Board feels this is a necessary step to ensure that the campground is a safe and enjoyable place for all who visit. Your cooperation in this matter is greatly appreciated. Please find enclosed a registration form and Vehicle Use Policies if you should need it. Forms must be submitted to the camp office and plates picked up at the camp office.

Yours in Christ,

Mark A Pollock
Director, WCCC
