

Vision

“Our mission is to provide quality facilities with a servant’s heart that will facilitate: camping, Camp Meeting, and retreats/conferences to the Church of God, Anderson, IN and the broader Christian Community.” This statement drives our focus in ministry.

As leaseholders and friends of Whitehall Camp & Conference Center, you are saying that you are committed to the same mission. You are a part of the Whitehall ministry. Many of you have been a part of providing opportunities to others and sharing Christ’s love with all who walk around Whitehall. Some have volunteered, and some have helped us financially. We want to say “Thank You” to all who have done so. Whatever your commitment, the ministry lies far beyond what moneys are collected in leases. That is why using God’s resources wisely is so important.

If you haven’t been part of the growing ministry at Whitehall, I encourage you to become involved. Be a counselor, help on a work project, volunteer for a day to help around camp, bring your church for a retreat, or give financially as you can. Every little bit helps us to stretch our ministry dollars, and helps to ensure that we will remain here another 128 years and beyond.

May God bless you and your family in the year ahead.

- Mark Pollock
Director, WC &CC
